

Mosquito Trap

Nvis 91

Protect your family against mosquito's bites

Highly Effective

Mosquitoes are cause of many fatal disease like malarial, dengue, etc. To get rid of mosquitoes Nvis Cleantech offers an eco-friendly solution which does not use any chemical and helps you to be healthy. It is very effective device which attracts mosquitoes and trap them inside the enclosure. This Mosquito trap works efficiently in dark when most of the mosquitoes become active. It emits UV light which attracts mosquitoes and with the help of a pressure fan they get trapped.

Features
